Purpose of Job: The aim of the role is to provide support for a minimum of six hours per week on a Wednesday. There might be occasions, when more hours are needed which can be discussed and agreed as and when necessary.

What is important to me? I am looking for a companion who enjoys chatting and drinking cups of tea. I used to be a very keen gardener, but my mobility prevents me from continuing, however I still enjoy sitting in the garden on a lovely warm summer's day.

A bit about why I need support I am living with my daughter who is my primary carer, and it would be nice if she could have some time to herself to go and enjoy some free time.
