A bit about me:

About the role:

I would like someone to support me to go to town using public transport or for a walk. I use a power wheelchair when going out. If we don't go out, I would like someone to build Lego with me. I can be flexible about days and times.

The kind of person I am looking for:

I'm looking for someone with similar interests, who likes walking and building Lego. Someone to have a laugh with.
