A bit about me:

To support a Gentleman in his 70's who has lewy body dementia.

About the role:

Support with everyday tasks such as personal care, washing, dressing, meal preparation and eating. Also light housework. Mobility is poor so generally stays in bed or in his arm chair. You will support the employer on transition from bed to chair and vice versa to help maintain core and back strength.

The kind of person I am looking for:

Responsible, reliable and trustworthy. Excellent time keeping. Confident in working with disabled people. Good communication and social skills. To respect confidentiality and privacy. To understand that dignity and independence are important. Be willing to learn and have the ability to work on your own initiative. Some experience of working with someone with dementia. Empathetic and able to make sensible judgements.
