A bit about me:

I'm a 55 year old easy going lady who likes reading and writing. I love animals and we currently have an outdoor rabbit. I live with my 2 Sons and we are all neuro-divergent. I'm starting physiotherapy soon with an aim to improve my strength and mobility.

About the role:

I need someone to help me with Personal Care, mainly assistance with showering due to balance issues. I will also need help getting dressed, applying creams and hair care if needed.

I would also like someone to do some light housework, for example, changing bedsheets. Also food prep is required. Help with shopping and medical appointments may also be needed.

The kind of person I am looking for:

I am looking for someone who is easy going and flexible with a good understanding of neuro-diversity.
